

Saturn 2022

TASTING

Saturn is our late-harvest wine that is made from 100% Sauvignon Blanc grapes specially selected and harvested in late November.

A brilliant light gold in the glass, the nose of this wine is pure enjoyment: a heady blend of fresh mandarin orange, candied citrus peel, and stewed yellow pears and apricots.

On the palate the wine is lush and full with flavours of apricot, pear and orange, along with tropical fruits like mango, and a bright acidity that lends this complex wine both length and structure.

A delight now, this wine will only develop further complexity over the years.

WINEMAKING

The grapes for this wine were hand-harvested in the cold morning weather of November 18th & 19th, 2022, when sugars, flavours and acids were concentrated within each berry in order to produce this luscious late harvest wine.

Following harvest each berry was gently basket-pressed in order to release its precious nectar. After settling, the juice was fermented very slowly in stainless steel, and then further aged on the lees until bottling.

A pure expression of nature's bounty.

TECHNICAL

- Harvest Dates:** 18 & 19 November, 2022
Bottling Date: 5 May 2023
Vineyards: Whispered Secret Vineyard, Keremeos, Similkameen Valley BC
Varieties: 100% Sauvignon Blanc
Total Production: 580 cases

Alc: 12.0% **pH:** 3.18 **Titrateable Acidity:** 9.4 g/L **Residual Sugar:** 85.5 g/L **SKU:** +742676 (375mL)
